As a valued service, in return for this sponsorship, your logo will be listed on the sponsors page of both the [Eclipse Foundation](#) and the working group website for a period of one year. In addition, some working groups may include additional benefits associated with their sponsorship program to which you are entitled; please see the Working Group's Sponsorship page for more details.

All sponsorship funds will be directed to the financial benefit of the working group, in alignment with its goals and initiatives. Unless otherwise indicated, all Sponsors' contributions are provided on a one-time basis. Sponsors are encouraged but not required to indicate their non-binding commitment to future commitments as a means to promote the stability of the working group, and to allow the steering committee to plan for multi-year initiatives.

This program is open to all organisations. There is no requirement to be a member of the Eclipse Foundation, and by becoming a sponsor there is no explicit or implied commitment to membership, nor to the adherence to any of the Eclipse Foundation's policies or processes.
